

Special Notices.

Dr. Tull's Liver Pills, as a purgative medicine, stands unrivalled. Their action is uniform, certain and safe. They are entirely vegetable, and do not cause those griping pains that most pills do.

Dr. Tull's Hair Dye, the Best in the World. Whose HANDSOME HORSE IS THAT?—Such was the inquiry of a traveler as he passed an unusually well finished country residence, not a thousand miles from here. The style of the architecture, the brightness of the glass, the beauty of the doors, the classic patterns of the moldings, the neatness of the balustrades, and the stateliness of the pillars around the piazza, all struck the traveler with astonishment and admiration. And no wonder, for they were all furnished by Mr. P. P. Toale, No. 20 Hayne street, Charleston, S. C.

A NEW BEAUTIFYING AGENT.—All dentifrices had their drawbacks until the Salubrious Bark of the Soap Tree was brought from the Chilian valleys to perfect the fragrant Saponin, the most delightful article for the teeth that a brush was ever dipped into.

"CHILDREN'S LIVES SAVED FOR 50 CENTS."—Every case of Croup can be cured, when first taken, by Dr. Tobias' Venetian Liniment, warranted for twenty-four years, and never a bottle returned. It also cures Diarrhoea, Dysentery, Colic, Sore Throat, Cuts, Burns and Eczema. Sold by New York.

VENUS herself would not have been beautiful, if her complexion had been bad. If beauty is skin deep, it is necessary to secure and retain that part of it; and ladies, instead of resorting to paints and powders, should remember that an impure, blotchy or sallow complexion is the proof of feeble digestion, torpid liver or vitiated blood, for which Dr. Walker's California Vinous Bitters is a safe, sure and effectual remedy.

BURNETT'S COCAINE.—No oils, neither pomades or alcoholic washes—foreign or domestic—can compare with Cocaine as a HAIR DRESSING. It anchors the hair firmly in the scalp, gives it new life and lustre, and renders it the "crowning glory" of both sexes, old and young.

FRATT'S ASTRAL OIL.—More accidents occur from using unsafe oils than from steam-boats and railroads combined. Over 200,000 families continue to burn Pratt's Astral Oil, and no accidents, directly or indirectly, have occurred from burning, storing or handling it. Oil House of Charles Pratt, established 1770, New York.

A BEAUTIFUL, WHITE, soft, smooth and clear skin is produced by using G. W. Laird's "Bloom of Youth." It removes tan, freckles, sun-burns and all other discolorations from the skin, leaving the complexion brilliant and beautiful. Sold at all druggists.

JUST THE REMEDY NEEDED.—Thanks to Mrs. Winslow's Soothing Syrup, we have for years been relieved from sleepless nights of painful watching with poor, suffering, teething children.

FOR DYSENTERY, indigestion, depression of spirits and general debility, in their various forms; also, as a preventive against Fever and Ague, and intermittent fevers. The Ferro-Phosphated Elixir of California, made by Cassell, Hazard & Co., New York, and sold by all druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

RESLEY'S GENUINE GOLDEN BELL COUGH CURE.—The best article known for cleansing and relieving the teeth and gums. Sold by all druggists. Price 25 and 50 cents per bottle. F. C. Wells & Co., New York.

CARBOLIC SALVE, unequaled as a healing compound. Physicians recommend it as the most wonderful remedy ever known. Price 25 cents per box. John F. Henry, sole proprietor, 3 College Place, New York.

CHARTERED HAIR DYE.—This magnificent compound is beyond contingency, the safest and most reliable dye in existence; never failing to impart to the hair uniformity of color, nourishment and elasticity. Manufactured by 68 Maiden Lane, New York.

SVAPNIA is Opium purified of its sickening and poisonous qualities. It is a perfect anodyne, not producing headache or constipation of bowels, as is the case with other preparations of opium. John Farr, Chemist, New York.

SUPERINTENDENT'S OFFICE, SOUTH CAROLINA PENITENTIARY, COLUMBIA, S. C., April 25, 1872.

At a meeting held by the Directors, April 24, 1872, it was Resolved, That owing to the failure of the Treasury to furnish money to procure supplies for the South Carolina Penitentiary, and the impossibility of procuring them on credit, that the Superintendent be directed, if practicable, to hire out 150 convicts—and that he advertise for proposals for the same, submitting the bids to the Board of Directors for their approval.

The Superintendent, in conformity to the above resolution, will entertain bids for the hiring out to work of 150 CONVICTS, in numbers to suit applicants.

Applications in writing, accompanied by security for performance of contract, and for punctual payment of price and fulfillment of other conditions and stipulations, should state the nature of the work to be performed by the convicts, the place at, and the time during which the employment may be proposed to continue, the amount offered per day by the day or by the month, and the number of hands desired.

Proposals will be submitted to the Board of Directors for their approval or rejection.
